C.3 BACKGROUND

The District has operated a stadium, paved parking areas, recreation fields, parks, trails, and other uses on the for several decades through a lease with the National Park Service (NPS). During this period, multiple professional sports teams, including National Football League, Major League Baseball, and Major League Soccer teams operated on the RFK Campus. The RFK Campus area also includes existing Metrorail, D.C. Water facilities, streets and access to Kingman and Heritage Islands and the Anacostia River.

On January 13, 2025, NPS transferred administrative jurisdiction of the RFK Campus to the District pursuant to the Act. In connection with the transfer of jurisdiction to the District, the Joint Lead Agencies executed the Declaration and Transfer of Jurisdiction Plat. NPS completed the National Environmental Policy Act and National Historic Preservation Act review and compliance process for the transfer of administrative jurisdiction to the District. The United States remains the fee owner of the RFK Campus.

The Robert F Kennedy Redevelopment Act of 2025 (the “Act”) was a pivotal moment in the long-term vision for the RFK Campus. The Act authorizes the transformation of the campus into a vibrant mixed-use community, that prioritizes sustainability, connectivity, and public engagement. It further directs significant coordinated federal and local investment to modernize infrastructure, create new public spaces, and promote economic development.

Under the Act, the RFK Campus is set to undergo extensive redevelopment to support new residential and commercial buildings, designed to meet the District’s growing population and evolving business needs. This redevelopment will be guided by principles of smart growth, ensuring that the new developments are integrated seamlessly with existing neighborhoods while enhancing the overall quality of life for residents.

In addition to residential and commercial development, the Act places a strong emphasis on creating green and open spaces. These areas will provide recreational opportunities for the community, including parks, sports fields, and waterfront access. The redevelopment will also enhance transportation links, making it easier for residents and visitors to access the area through improved public transit and pedestrian-friendly pathways.

The Act further requires the preservation of the cultural and historical significance of the RFK Campus. Redevelopment efforts are expected to incorporate elements of the site's rich history

and honor the legacy of Robert F. Kennedy and the significant events associated with the campus.

SECTION M – EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract will be awarded to the responsible offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

<u>Numeric Rating</u>	<u>Adjective</u>	<u>Description</u>
0	Unacceptable	Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; offeror did not address the factor.
1	Poor	Marginally meets minimum requirements; major deficiencies which may be correctable.
2	Minimally Acceptable	Marginally meets minimum requirements; minor deficiencies which may be correctable.
3	Acceptable	Meets requirements; no deficiencies.
4	Good	Meets requirements and exceeds some requirements; no deficiencies.
5	Excellent	Exceeds most, if not all requirements; no deficiencies.

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the offeror's score for each factor. The offeror's total technical score will be determined by adding the offeror's score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District evaluates the offeror's response as "Good," then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the offeror's total technical score will be determined by adding the offeror's score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the offeror's response as "Good" for the first subfactor and "Poor" for the second subfactor, then the total score for that evaluation

factor is 4/5 of 20 or 16 for the first subfactor plus 1/5 of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.3 EVALUATION CRITERIA

Proposals will be evaluated based on the following evaluation factors in the manner described below:

M.3.1 TECHNICAL CRITERIA (80 Points Maximum)

Technical Evaluation Factors

Technical Proposal	Points
Section I - Executive Summary	10
Section II - Team and Team Member Experience	40
Section III - Relevant Past Performance	30
Total	80

Evaluation Criteria

An Offeror will be evaluated based on the following technical factors and criterion:

Executive Summary (10 Points Maximum)

1. The Offeror’s Executive Summary (10 points)

Team and Team Member Experience (40 Points Maximum)

1. The Offeror’s experience.(10 points)
2. The Offeror’s staffing plan and resumes (30 points)

Relevant Past Performance (30 Points Maximum)

1. The Offeror’s past performance providing similar services (30 points)

M.3.2 PRICE CRITERION (20 Points Maximum)

The price evaluation will be objective. The offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each offeror's evaluated price score:

$$\frac{\text{Lowest price proposal}}{\text{Price of proposal being evaluated}} \times \text{weight} = \text{Evaluated price score}$$

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2 (12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the offeror's technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION YEARS

The District will evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District's requirements may change during the option years. Quantities to be awarded will be determined at the time each option is exercised.

M.5. PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES

Under the provisions of the "Small and Certified Business Enterprise Development and Assistance Act of 2005", D.C. Code § 2-218.01 *et seq.*, as amended ("Act", as used in this section), the District shall apply preferences in evaluating proposals from businesses that are certified by the Department of Small and Local Business Development (DSLBD) pursuant to Part D of the Act.

M.5.1 Application of Preferences

M.5.1.9 Any prime contractor that is an equity impact enterprise certified by DSLBD will receive the addition of five (5) points on a 100-point scale added to the overall score.

M.5.2 Maximum Preference Awarded

Notwithstanding the availability of the preceding preferences, the maximum total preference to which a certified business enterprise is entitled under the Act is the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to this RFP. There will be no preference awarded for subcontracting by the prime contractor with certified business enterprises.

M.5.3 Preferences for Certified Joint Ventures

A certified joint venture will receive preferences as determined by DSLBD in accordance with D.C. Official Code § 2-218.39a(h).

M.5.4 Verification of Offeror's Certification as a Certified Business Enterprise

M.5.4.1 Any vendor seeking to receive preferences on this solicitation must be certified at the time of submission of its proposal. The CO will verify the offeror's certification with DSLBD, and the offeror should not submit with its proposal any additional documentation regarding its certification as a certified business enterprise.

M.6.2 In connection with any discount offered, time will be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
